# FACE the FACTS of 1940

and can we take it!

# We Would Have

Dear Reader:

● Acquaintanceship is the basis for friendship. Through this publication, no doubt, the bonds of friendship will be strengthened and the circle of friends will be enlarged.

One of the strongest words in our language is "Friendship." It means so much. Involved in it are all the emotions of life, as well as all the intellectual attributes of human personality. Throughout the pages of this publication there comes again and again the quiet, but the irresistible assurance that these bonds of friendship become a "wee bit tighter." Also there are evidences that the circle of friends will be expanded because of this publication. Our wish is that these may be the results that follow.

Dear Reader, you have a part in the splendid undertaking of passing from acquaintanceship to friendship, and of experiencing the resultant joys and satisfactions that come from such an adventure, if you will peruse carefully these pages.

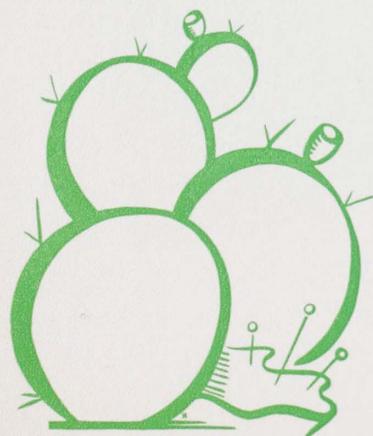

C. E. RARICK  
President F. H. K. S. C.

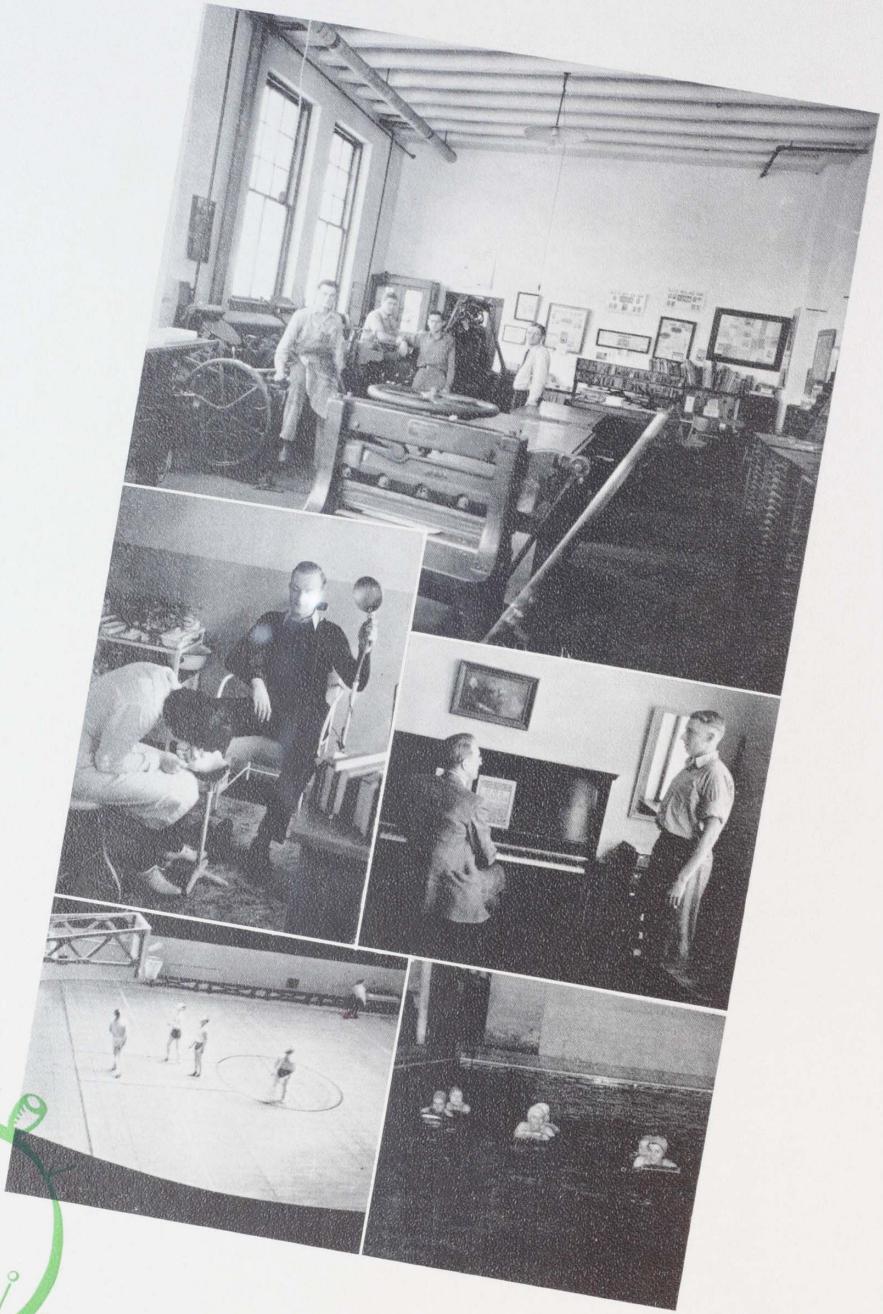

# You Know Us As We Are

DEDICATION: To Dr. E. R. McCartney . . . energetic, "quizatorial," a scholar and a gentleman, a man of action as well as words—to this kindly "down-to-earth" individual who gets things done, we dedicate this book.

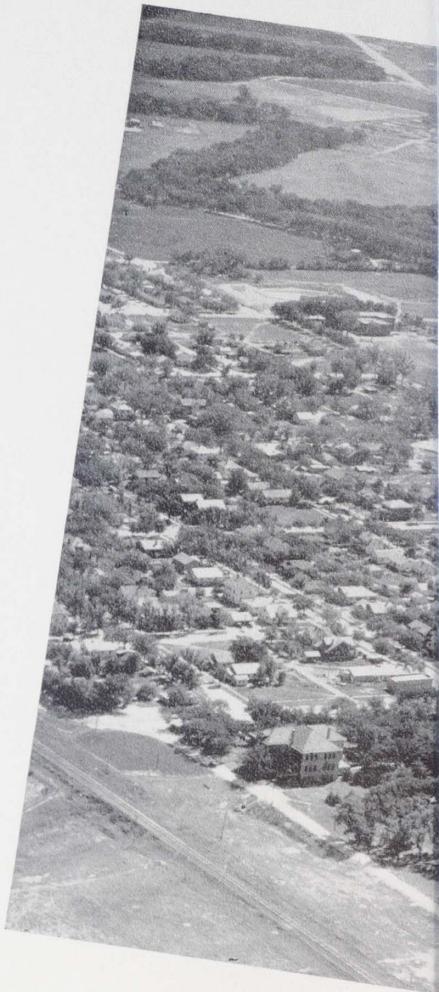

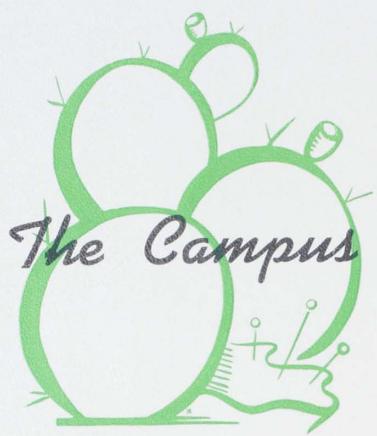

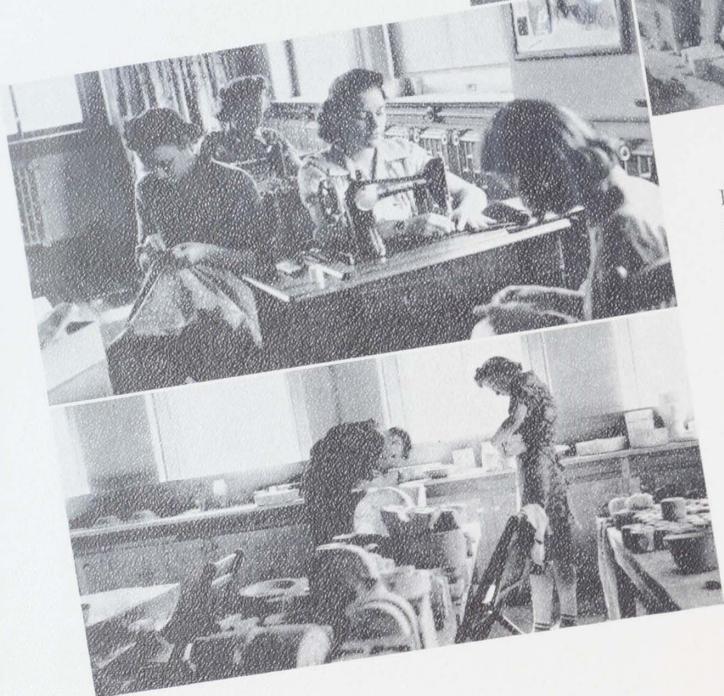

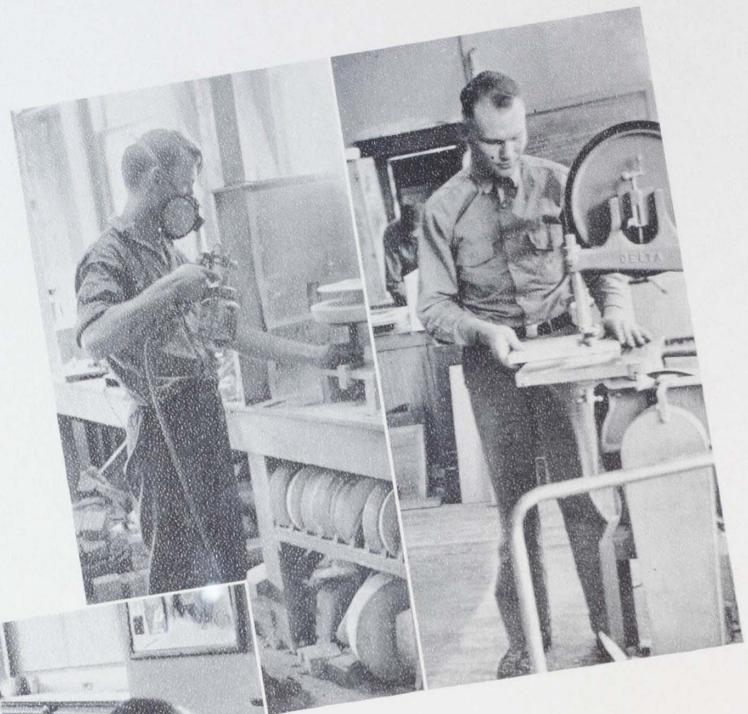

INSIDE: If you have a corn on your little toe, if you want to see the team go to town, if you missed your "Leader," if you have a passion for Sousa or have to practice for H. M. S., then—it's the Coliseum.

OUTSIDE: Four walls and a skylight, militaristic turrets and an impression of infinite endurance, strength and pleasant memories.

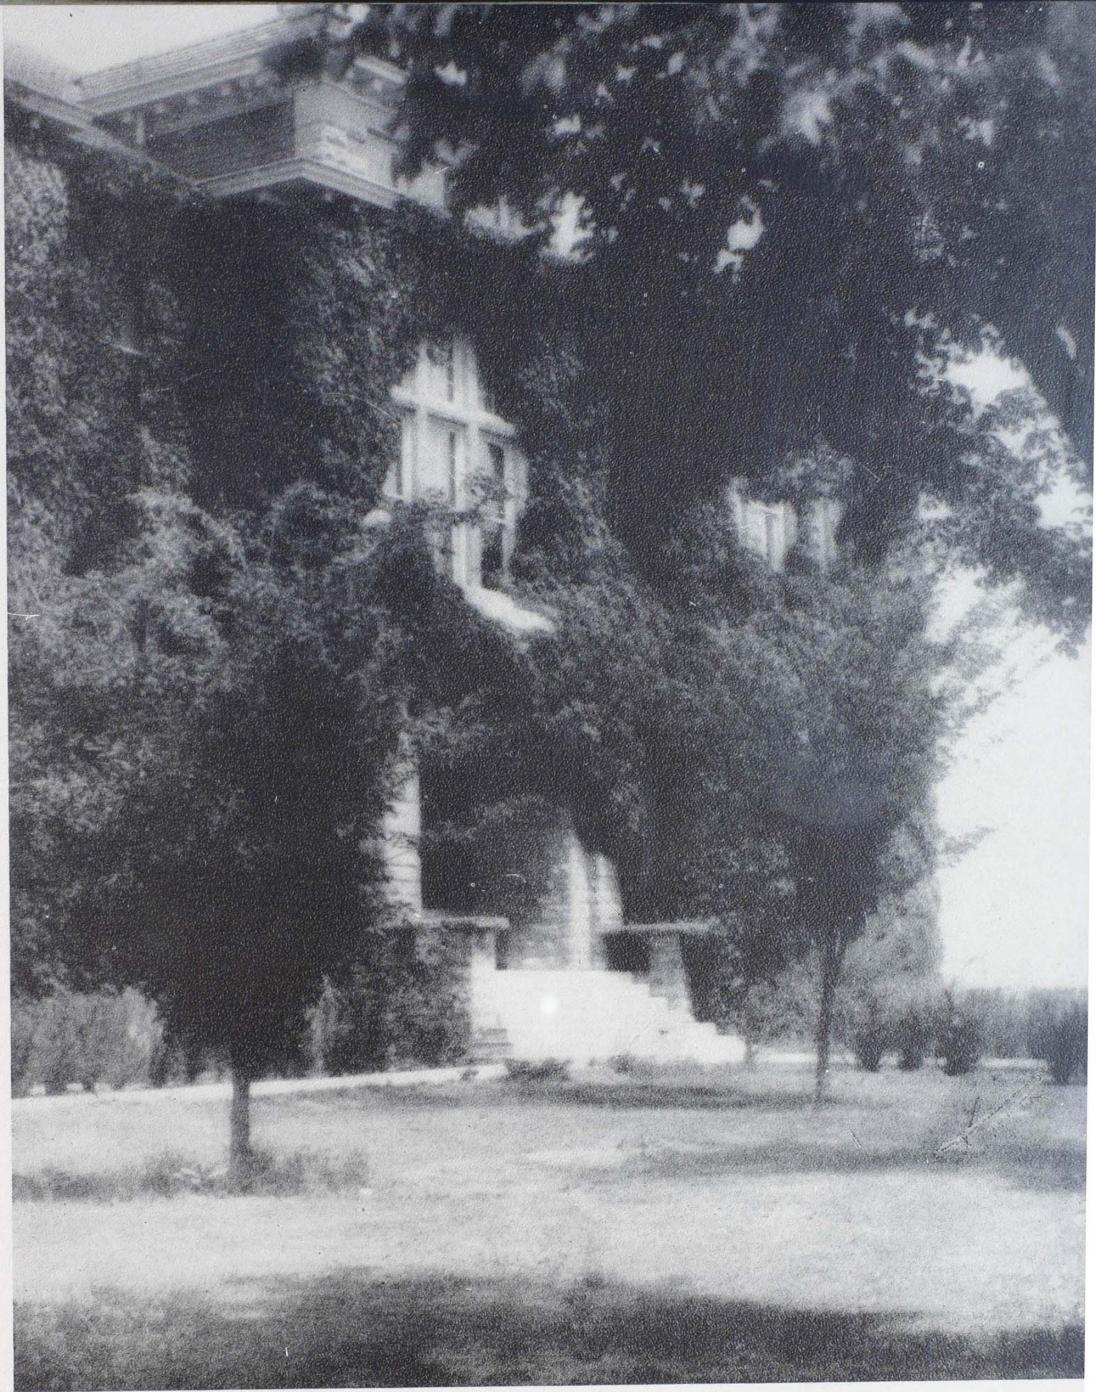

Hey . . . have you seen the campus at Fort Hays? Inside out, upside down, beautiful and serene, hectic and excited and—well here it is with just a hint of the many interesting things that happen on it—

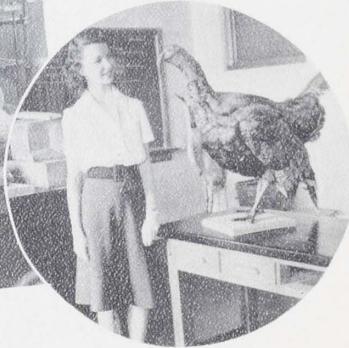

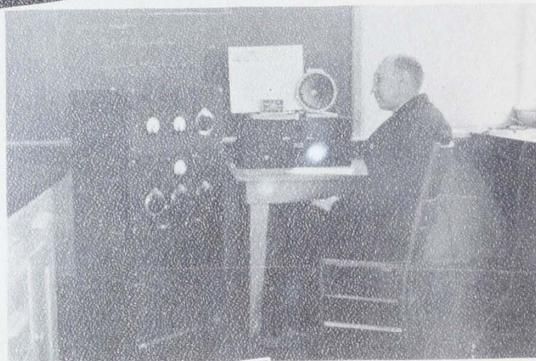

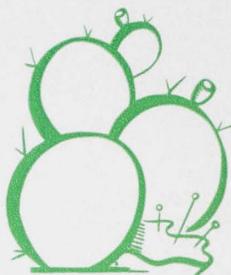

INSIDE: The manual arts from forging to cookery, and all the home economics and industrial arts, painting and sculpturing and one of the few pottery departments in the West.

OUTSIDE: A weathered grey hull—symbolizing the progress of men's industry.

Industrial Building • • • • •

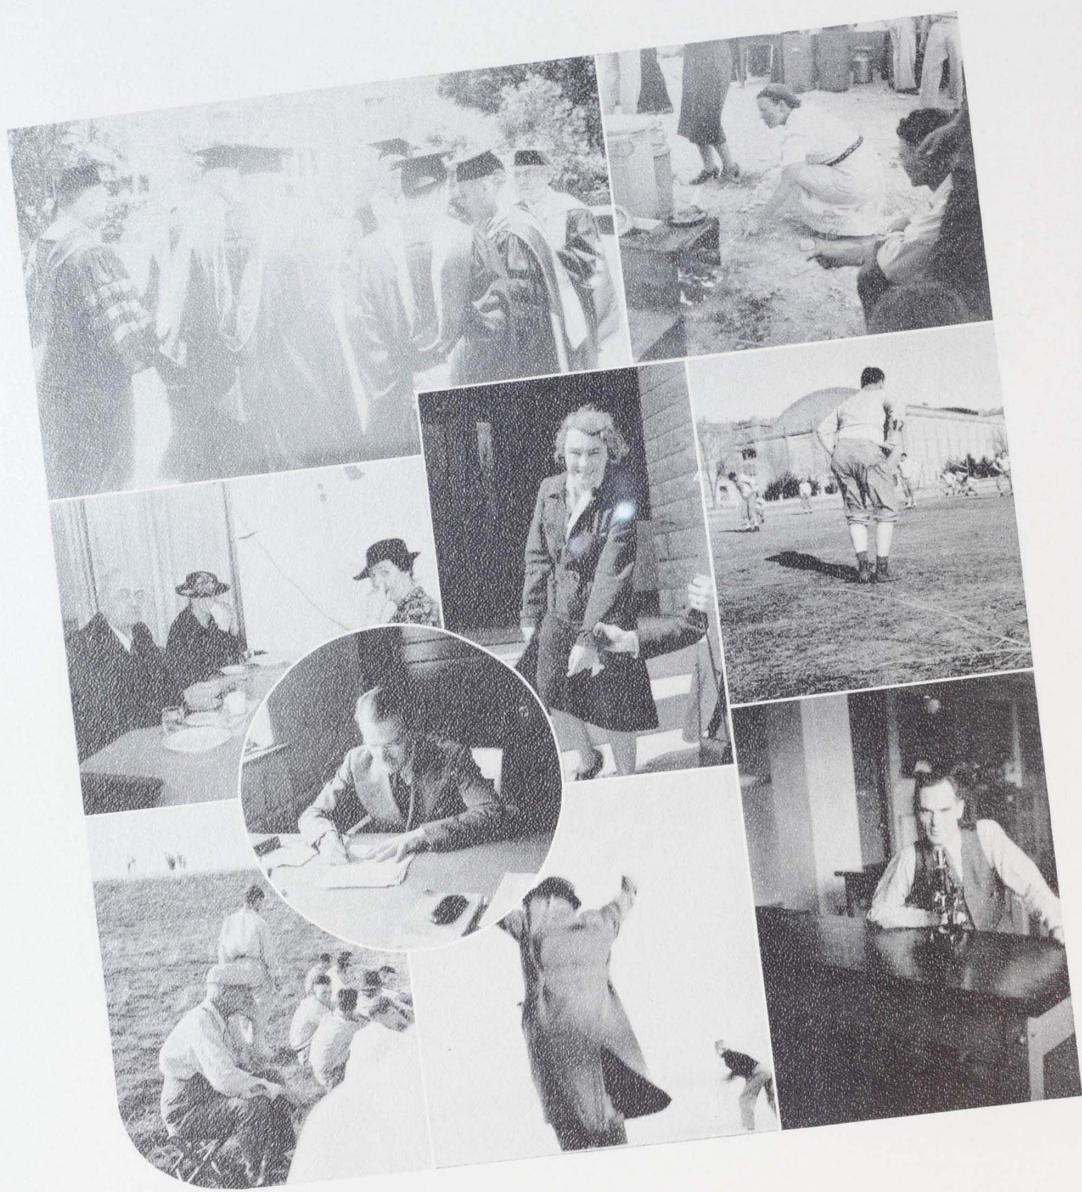

**INSIDE:** Here go the future doctors of Western Kansas, the psychologists and astronomers, the chemists and radio operators and perhaps even a few troupers from the Little Theatre lab.

**OUTSIDE:** Bright and new with its great black revolving dome housing a giant telescope, Science Hall presents an impression of modern concepts and futuristic aspirations.

## We Can "Look On" —

**BUT**  
We Would Rather "Take Part"

## *Masters of Make-Believe*

The Fort Hays Little Theatre group has finished another year of great development. Two outstanding steps in the advancement of the dramatics department have taken place during the year—the addition of a dramatics minor to the curricula and the attainment of a studio theatre.

Director Orvis Grout, with the help of Drew Dobosh, art director, Clarence Stinemette and others of the Little Theatre, brought about on the third floor of Science Hall the realization of their hopes for a studio theatre. Its purpose is to furnish the group with a larger laboratory and permit a four-or-five-night run.

Besides these improvements the Little Theatre has continued the projects of past years: The Russian Penthouse method of presentation was used some again this year. The Children's Theatre presented "The Prince and the Pauper" with about fifty pupils from Washington School taking part. Student directing in laboratory performances was continued by Mrs. Frank Birmingham, Sene Carllie, Jennie Dunwoody, Shirley Gibson, and Lloyd Sidener. Two shows were taken on the road together—"The Physician in Spite of Himself" given as a matinee and "Ghosts" given in the evening.

The fine repertoire for which the Fort Hays Little Theatre has for the past two years received recognition in *The Theatre Arts* was duplicated this year. Laboratory performances were: "Hedda Gabler," "The Children's Hour," "Night of January Sixteenth," "Astonished Heart," "Fumed Oak," and "Red Peppers." Public performances included: "Yes, My Darling Daughter," "Ghosts," "The Physician in Spite of Himself," "Susan and God," "Our Town," "The Silver Cord," "Family Portrait," and (anticipated) "Wingless Victory."

## Vocal

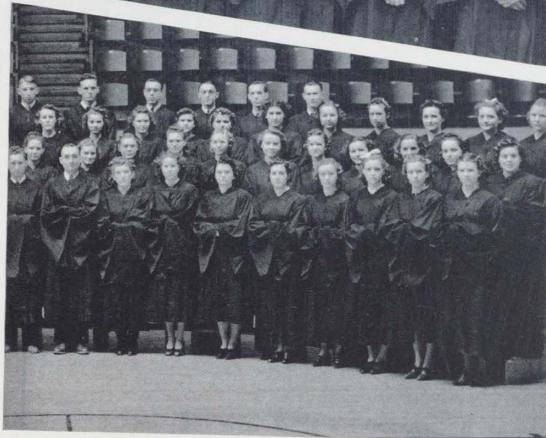

The campus musical activities would not be complete without due mention being made of the fine contribution to the musical life of the student body by the A Capella Choir, Men's, and Women's Glee Clubs. Each organization offers a wide variety of repertoire to satisfy the many musical tastes of the students. These choral groups have presented many concerts at home and on tour.

It is interesting to note the many repetitions of names in the roster of these vocal organizations, proving the interest of the student body in these choral groups. Mention should here be made of the addition of another choral organization to the campus this year, the Choral Union. This group numbers 250 members, and is made up of students from choir, Glee Clubs, Faculty, and singers from the surrounding communities. The Choral Union presented the "Messiah" at Christmas and the "Elijah" at the May Festival with the college orchestra and outstanding soloists.

The Women's Glee Club, directed by Miss Lucille Felten, maintains a high standard of performance. The club includes the following members:

Barnes, Bray, Brock, Calvert\*, Carswell, Clemes, Cordell, Cummings, Fertig, George, Giess, Goodnough\*, Hagen, Henderson, Horacek, Isaacks, Jewell, Koons, Koontz, Lane, Maddy, Marvin, McNeil, Reed, Reidel, Riggs, Scott\*, Scheib, Schwatzkopf, Sharp, Sebelius, Snow-barger, Wear\*, Winslow.

\* Collegiate Women's Quartet.

## Vocal

The A Capella Choir has had a very successful year, having participated in a home concert, the "Messiah," and the "Elijah." The MEN'S GLEE CLUB under the direction of Hobart Davis serves still a different musical interest on the campus. Their performances at home and on tour have been thoroughly appreciated. The men in the Glee Club are as follows:

# Behind the Headlines

Off they come! Over 2000 "Leaders" roll off the press every Thursday and by afternoon they are in the hands of every student on the campus. 1000 of these are mailed Thursday evening to alumni and subscribers in various parts of the world.

"Cover you beat! Accuracy first! Make the deadline!" These editorial admonitions are familiar to every reporter. In "covering" the news of the campus, student journalists have an opportunity to contact every department on the campus and learn from practical experience the methods and practices of their profession.

This year the "leader" has strived to please its readers and meet all collegiate demands. It has deviated some from regular practices in featuring more pictures and lighter reading material.

This student publication is under the direct supervision of Mrs. James Sampson, faculty adviser, and Mr. Walter Wallerstedt, who has charge of the printshop. Kent Collier, as editor, heads the staff and makes the final check. He was assisted by Josephine Elts the first semester and by Ruth Nelson the second. Rex Cully, business manager, has Lee Rother as his assistant. Other students reporting during the year are Ruth Clarke, Mary Alice Wiesner, Irene McElroy, Frances Ade, Grace Husted, Maurice Norrell, John Evans, Warren Fox, Gwen Funston, Eleanor Calvert, Lester Collier, Marguerite Fesler, Robert Rath, Betty Baker, Clifton Wiles, Frank Wonner, Imogene Gick, Marion Stalcup, Bob Cully, Jean Herman, Evelyn Hodson, Marjorie McEwen, Annie Laurie Daniels, Dorothy Basgall, and Ellen Mason. The production staff includes Joe Lill, Bob Postma, and Wilbur Rigby.

#### Guys and Gals:

We wanted to be different! We were! (Ye gods) We are! We came in happy and young and gay, now look at us wouldya! If you don't think putting out a *REVEILLE* is a big job, ask our roommates.

It wasn't that we weren't experienced, it was just that we had the wrong kind of, say wait a minute, we mean we were inexperienced as far as putting out a yearbook was concerned. And then we decided to have a Ball and Bill's suit was late in getting back from the cleaners and then we had a dust storm on March 26 (remember?) and April 1 the deadline.

We had a lot of fine cooperation but it was still a heck of a job (we wouldn't kidya). So from us to you we present the 1940 *REVEILLE*.

## We Do Organize

#### "CAMERA" and "UNI-CAMERALISM"

The Student Council is the on-house, one-purpose legislative body of the students of Fort Hays. Every Tuesday evening at 7 o'clock sixteen representatives of the various classes gather around a long table in the Dean's office and begin activities.

If the basketball team came out co-champs in the conference, then the Council goes to bat, calls a special session and plans for the forthcoming holiday. They sit as a committee at elections, plan and announce Pike Day, and otherwise delve into campus activities in which the interests of the student body are involved.

This year Amy Hildebrand, representative at large, has presided over the group. Members from the freshman class are Mark Cleland, Gene Rouse and Russell Fralick; Loren Grover, Stuart Been and Nixie Beason are sophomore representatives; J. D. Sharp, Ansel Tarrant and Galen Flora hail from the junior class and Marion Robbins, Gwen Dimmitt and John Atkins voice the interests of the seniors. Robert French and Robert Culley are representatives at large and Sene Carlile, first semester assembly chairman sat with the group during that time and William Stowell, assembly chairman this semester, also is included in the organization.

#### JUNIOR JUDICIARIES

The Student Court, established last year with the adoption of the revised constitution, began its first sessions last fall semester.

Most of the problems arising for consideration by this body concern minor indiscretions and breaches of conduct and campus tradition. The cases are heard before the student group and Dr. W. D. Moreland, adviser to men, and Miss Maude I. Gorham, adviser to women. The cases and proceedings of the court are not made public.

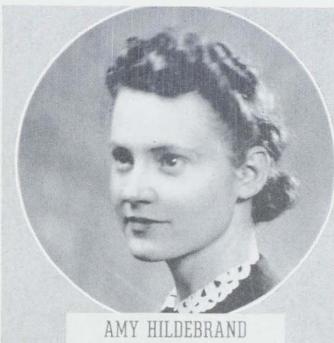

The "judges" this year included Allen Mitchem as president and Amy Hildebrand, Gwendolyn Dimmitt, Robert Culley and John Atkins.

#### IT'S THE BUNK—

—that counts! At least it is to the more than two hundred young men who for nine months of the year make the organization known as "Lewis Field" their home.

Each fall the Field begins a new life. To the frosh it is at first merely a place, a bunk to sleep in; it implies boarding at Cody Commons and waiting for a turn at the ping pong tables. To the rest of the group, to the "old boys" it is the hearty hellos and the back-slapping welcome of fellows back into a common life. And thus through the long time Lewis Field evolves from a place read about to a home, from a sociological experiment to a better understanding and appreciation of human values, and lastly as a source of many pleasant memories.

Mrs. W. A. "Mother" Lewis with her kindly understanding and her efficient, yet gracious manner lends a more dignified and less impersonal air to the life at the Field. Jess Vague, amiable and conscientious, pursues his duties as supervisor while in the background lingers the virtual head of this organization, Dr. W. D. Moreland. It is largely due to the energy and foresight of Dr. Moreland that the essential details of the Lewis Field as a functional project have developed.

The following men have been members of the Lewis Field group this year:

Arensdorf, Atkins, Banker, Barland, Bearley, Been, Bennett, Biehler, Birdsong, Boese, Bondy, Boss, Boucher, Bowker, Bowman (Harold and Harlan), Brassfield, Brenn, Briggs, J.

#### THE ATHLETIC "IT" BOYS

One of the oldest and most influential organizations on the campus is the men's athletic organization known as the "K" Club.

Membership is restricted only by an individual's ability and determination. Formal admittance is granted upon the earning of at least one letter in a major sport during any one season's competition.

This group in addition to sponsoring a very stiff initiation program, are the policemen of the campus, they enforce "keep off the grass" rules, uphold the traditions of the school and otherwise wield a decided influence over campus activities.

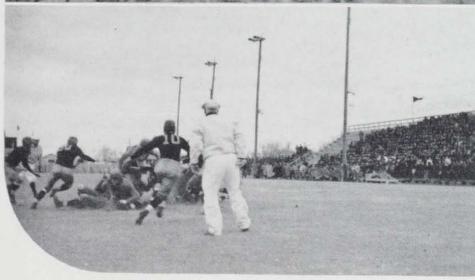

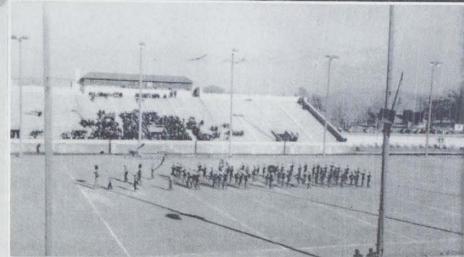

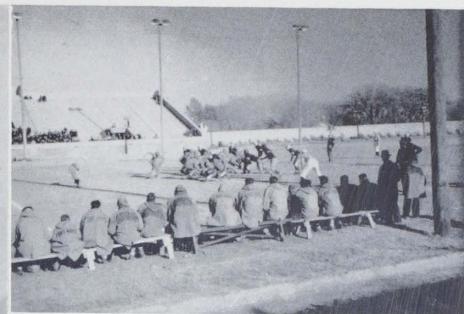

There are approximately forty men in this year's organization. Ward Riegel is president.

#### CAMPUS PEPSTERS

Tigerettes! They are the generating force that motivates the enthusiasm, pep, and excitement at all sport activities. This group consists of 50 girls all dressed in the school colors of black and gold. Membership is honorary.

Under the capable guidance of Miss Mary Mae Paul and the enthusiastic leadership of Wanda Mae Scott, president, the Tigerettes have had a very successful year.

But We Can Lose !

## Football

Yes, we all like to win but there sometimes comes a time when we lose!

Considering the fact that Coach Waldorf had only a few lettermen back and lots of green material, we don't think the season was a failure in spite of the fact that the Tigers lost a majority of their games.

The Tigers bumped into some "rough" competition, e.g. (W. U.), taking on Kansas State, a member of the Big Six, and New Mexico Aggies, a member of the Border Conference.

Captain "Tobe" Hunley was the only Tiger to receive an all conference rating; he was selected as half-back.

With true Kansas spirit, let's take a peek in to next year's prospects: we believe that with a host of lettermen returning and a few back who for devious reason were not in the line-up this year, that Fort Hays State won't be a team to be trifled with and is likely to be one of the favored teams for the conference title.

The Tigers have chosen John Renner of Oakley and Norman Ehrlich of Monument as co-captains of the team for next season.

## Basketball

Yes, we like to win and we did in basketball!

The Tigers enjoyed a most successful season, winning 11 games and losing only 4.

The mainstay on the team was captain "Jumpin' Jack Johnson." He was chosen all conference forward and captain of this honorary quintet. He was the second high scorer of the conference.

In contemplation of next year's outlook, we cannot help but smile because all of this year's team will be back with the exception of Johnson. In all probability the Tigers will be the "big shots" of the conference. This year the title was shared with Pittsburg and Southwestern but let's wait and watch them win it another year!

In addition to the men pictured here, Coach Gross has some very able men coming up from the B squad plus a new crop of promising candidates coming in next fall.

# Golf and Tennis

While golf and tennis are still in their infancy at Fort Hays they are rapidly making headway and the time may soon come when they are prominent parts of the athletic program. This year a number of fellows are out for golf under the supervision of Ed Davis. Jim Davis is the only possessor of a golf "K", however Gene Glotzbach and others offer possibilities for chalking up a neat record for this year.

Eugene Dirks and Ivan Carrell, tennis lettermen and several newcomers are out to put Fort Hays on the map this year in the racket slinging field.

## TRACK (Schedule)

April 4 Sterling College *Here*  
 April 17 Kearney Teachers at Kearney, Nebr.  
 April 20 Kansas University Relays at Lawrence  
 April 24 Hastings College of Neb. *Here*  
 April 27 Colorado Relays at Boulder, Colo.  
 May 10 McPherson College *Here*.

Coach Bearley has 10 lettermen returning and 32 other men out for track. With such a large group to fill in last year's vacancies, the indications are for a successful season.

The returning lettermen are: Everett Koelling, C. I. C. dash champ; Alvin Staab, javelin; Don Michael, Ted Hoover, Dean Saylor, Gerald Sharp, 440 and 880; Clifford Lahman, distances; Newlin White, hurdles; George Shipley, pole-vault; Jim Finley, dashes and broad jump.

Inasmuch as this copy goes to press before the season gets under way, all we can do is predict the results of the competition. So—with a new cinder track and the old western Kansas determination cropping out on the boys, we are telling you to keep your eye on the sports page and you'll read about the Tigers "burnin' up the track."

## *Girls' Sports*

Another inning of Girls' sports is completed and the Women's Athletic Association, Duck Club, and other organizations put away their sporting goods until another year rolls around.

The games played during the year are divided into two types. Team sports include hockey, soccer, basketball, volley ball, and soft ball. The individual games include tennis, tenniquoits, shuffleboard, ping pong, swimming and archery.

Taking part in these are not the only activities of the athletic minded. Thirteen members of Miss Millets hockey class journeyed to Lawrence in November to enter the annual hockey play day at Kansas University.

Advanced dancing classes made several worth while trips, going to Lawrence to participate in a folk dance festival in November, seeing the Hanya Holm concert dancers at Wichita in February, and with members of the Health and Physical Education department, attending the district convention at Wichita in March.

One of the highlights of the Orchesis Club was the presentation of a "circus" between halves of the St. Benedict's basketball game, given under the direction of Miss Barbour. They also put on the pageant "Harp of the West" for the College Women's Day program given in honor of senior girls.

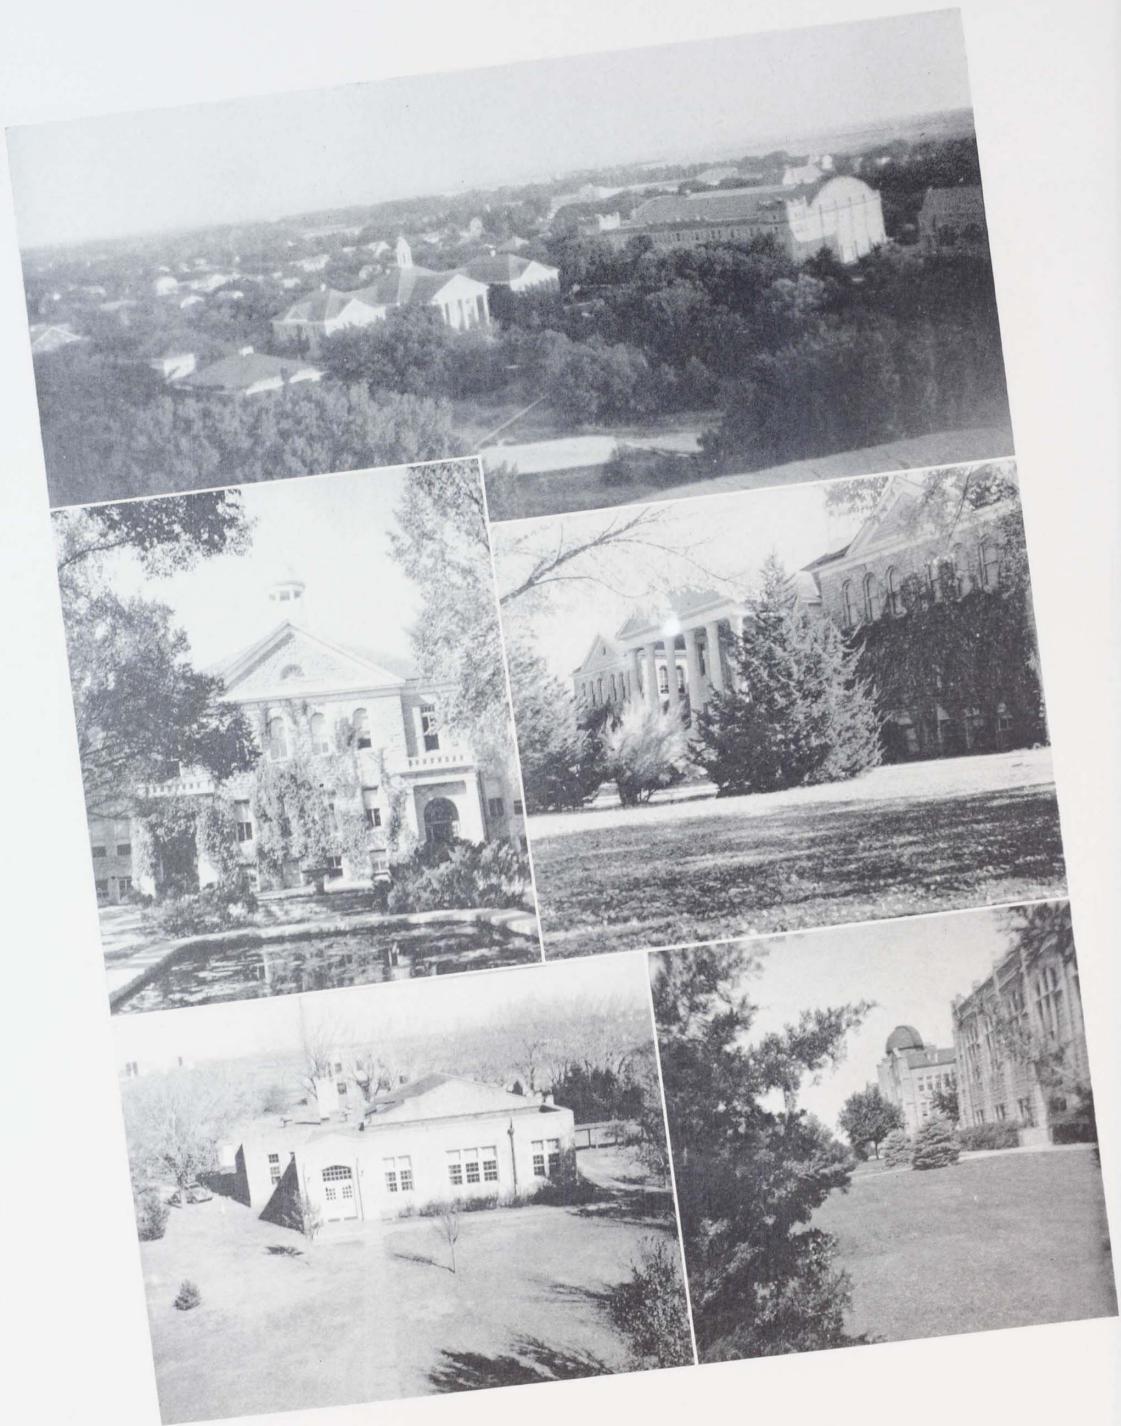

The Annual Play Day, attended by over 200 high school girls, was held May fourth and had for its theme "Mexico". Volley Ball, tenniquoits, swimming, hit pin baseball, and soccer were played during the day and awards were

given for the girl with the best health score and the best posture. Rosalie McBride was president of the Duck Club and Kathryn Bellman headed the W. A. A. Picnics, parties, and meetings were the main activities of the year and two girls,

Linnie Doris Kirkman and Kathryn Bellman, received the highest possible award, for earning 1000 points. Helen Johnson, Ruth King, and Elsie Sire, received smaller awards for earning 500 points.

Dear Mom and Pop:

The first thing that I missed when I came to school  
was the home cooked food . . .

I discovered that the—ELITE CAFE—served my  
favorite dishes—with that *special* and very *delicious* flavor in  
food that I get at home . . .

Next year I won't have to spend weeks looking for  
an ideal place to eat that has FRIENDLINESS . . . GOOD  
SERVICE . . . REASONABLE PRICES . . . and above all  
the BEST of FOODS . . .
